Works by Debussy and Dvořák

Saturday 25th April 11am
Holy Trinity Church, Bledlow HP27 9PD

Jennifer and Ilana are delighted to return to perform in Bledlow, alongside Katherine who is a member of the Orchestra of the Royal Opera House. These highly experienced chamber musicians have been working together since 2019 and in this programme will present late nineteenth century trios by two great composers, Debussy and Dvořák. This youthful Debussy trio, written when he was only 18 years old, is full of rich, exuberant melody and his 'signature' beautiful colour palette. Dvořák was at the height of his compositional power when he wrote this masterpiece, the 'Dumky Trio' in 1891. This programme will feature four of the six movements - each contains the joy, open heartedness and also melancholy of Bohemian folk song and dance, a truly inspirational work.
