

## Team Vicar (House for Duty)

### **For the parish of Bledlow, Saunderton and Horsenden (Aylesbury Deanery)**

Our rural parishes have three beautiful historic churches in an area of outstanding natural beauty in the Chiltern Hills. We are looking for a warm and welcoming team vicar to work 2 days a week and Sundays to further God's work by combining 'the best of the old with the best of the new' through

- exploring more contemporary approaches to worship within a traditional setting
- nurturing opportunities for outreach within the three villages
- socialising within the church and wider community
- strengthening the existing pastoral care team
- deepening our Christian life and furthering Christian stewardship

The role comes with a modern, three bedroom detached house with a garden in Bledlow, a beautiful and lively village with an excellent pre-school and plenty of community activities

**Closing date for applications: 31 May 2018**

**Interviews: 18 June**
