## **Do you need financial assistance or do you know of anyone who does?**

If you live in the parish of Bledlow-cum-Saunderton, which includes Bledlow, Bledlow Ridge and Saunderton, we may be able to help.

Bledlow Consolidated Charities are able to offer grants to the sick and those suffering financial hardship. Last year the Charities were able to award Grants amounting to £4,745. Grants typically range up to £250, but applications for larger amounts may be considered in exceptional circumstances. We are able to consider applications in the following classes of need:

- Heating, fuel costs and home insulation
- Medical aids
- Respite care
- Transport grants\*
- Replacing failed domestic appliances
- TV licences
- Education – at all levels
