

It's that time of the year...

TROPIC'S GIFTING COLLECTIONS *are here!*

Lovingly curated to bring together thoughtful gift combinations and packaged in beautiful boxes illustrated by independent artists from around the world.

We are hosting a charity tea and cake afternoon on **Saturday, 4th December from 2.00pm to 5.00 pm** to showcase the Tropic festive gift sets and raise money for **Positive Life Kenya**. **20% of all sales** will be donated to the charity.

We will also be having a raffle to help us boost the funds that we donate to **PLK**.

Come along for a hand massage and pamper and look at the lovely festive sets. Do please feel welcome to bring a friend or partner. We will be running a wish list for the ladies that we can share with your partner so you get something for Christmas that you like!

Tropic is vegan, ethically produced and made freshly in the UK, cruelty free to animals and all made from natural ingredients.

Please ring, text or email if you can come.

MUCH *more* THAN A GIFT

Tropic's beautiful new Gifting Collections are filled with nourishing skincare favourites with unique packaging designed by independent illustrators.

And what's more, for each collection purchased, Tropic will **fund the planting of one tree** globally with Eden Reforestation Projects.
