

Many couples want to make their marriage vows to each other in the sight of God, ask for God's blessing on their marriage, and be held in prayer by their family and friends as they make this life changing commitment to each other. Any of our three churches, because they are so beautiful, is a stunning setting for this special ceremony.

We are always delighted to receive enquiries about weddings. The first step is always to establish the connection of the bride or groom with our Parish, as we must follow the Church of England regulations on 'qualifying connections'. See the following link to see if your association with our Parish is sufficient to allow you to be married in one of our churches:

At the discretion of the Vicar, it may be possible in some cases for a couple where one or both have had a previous marriage dissolved to be married in church. You will be required to fill out this form before discussions with the Vicar can take place:

It is also possible to arrange for a Wedding Blessing following a civil marriage, or a Renewal of Vows service, perhaps for a special wedding anniversary, or after difficult times.
