

This is our final virtual service and I am very thankful to Stephen Bartlet-Jones for his amazing work with mixing audio and videos into the final packaged services that have been streamed every week in the last 15 months; to Jeff and the choir and to Cynthia Hall for all their hard work in recording the music that has so enriched our virtual services and to Greg Moore and Emma Smith for coordinating the readings and intercessions.

As we now move forward, we will not be able to carry on with virtual services but it is my hope that the parish will continue to have an online presence so that we can still stay in touch with the wider parish and the 'worldwide congregation' we found during the lockdown.

I thank everyone who has participated and worshipped alongside in these last fifteen months.
