

Dear Friends,

I am writing to you to let you know that in-person services at Holy Trinity will be put on hold for the rest of this month of January. This decision has been arrived at following a consultation with the PCC in the light of an emergency Diocesan meeting held last week. Whilst we appreciate the efforts of the Church leaders who challenged the government against the decision to close the churches for public worship last year, I and the PCC feel that we need to be wise in this current emergency situation as we have a duty of care to the more vulnerable members of our congregation.

Instead, we will now offer on-line services ONLY. However, following government announcement last night, it is most likely that we will carry on with on-line services only into the month of February.

We are very fortunate that we have an able and committed team that produce our on-line services every week. We continue to be thankful for their contribution and making it possible for us to offer the on-line worship.

Holy Trinity Church will be open on Sundays 10.30 am – 12.00 noon for private prayer and we will continue to observe the safety and social distancing restrictions.

Let us hope and keep the faith for a brighter future.

May God's peace be with you.

Norbert
